**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE**

MOHAMED HASSAN ALI,

Petitioner,

v.

JANET NAPOLITANO, *et al.*,

Respondents.

Case No. C11-627-MJP-JPD

REPORT AND
RECOMMENDATION

Petitioner Mohamed Hassan Ali has filed a Petition for Writ of Habeas Corpus pursuant to 28 U.S.C. § 2241 seeking mandamus relief compelling issuance of a credible fear determination and seeking a writ of habeas corpus directing petitioner's release from immigration custody. Dkt. 1. On September 9, 2011, however, the parties filed a stipulation to dismiss the habeas petition, which indicates that respondents issued petitioner a credible fear determination and released him from immigration custody following a final order of the Immigration Court granting petitioner asylum. Dkt. 19. The parties therefore request the Court dismiss this action as moot. *Id.*

Because petitioner has received the relief sought in his habeas petition, the Court finds that petitioner's habeas petition is moot and should be dismissed with prejudice. *See Abdala v.*

1 *Immigration and Naturalization Serv.*, 488 F.3d 1061, 1065 (9th Cir. 2007) (holding that
2 removal mooted habeas challenge to length of detention); *see also Picrin-Peron v. Rison*, 930
3 F.2d 773, 776 (9th Cir. 1991) (finding that because petitioner only requested release from
4 custody and had been released, the court could provide no further relief and the petition was
5 properly dismissed).

6 A proposed Order accompanies this Report and Recommendation.

7 DATED this 14th day of September, 2011.
